

TRIMLITE ARMOUR

D O O R S E R I E S

featuring **BREAKTHROUGH®** RESISTANT GLASS

TRIMLITE ARMOUR

DOOR SERIES

Incorporating the latest in design and manufacturing technologies, this patented process captures bevels and glass textures that will come to life in any entry. The Trimlite Armour decorative panel is tough too. The special resin construction makes it more durable than traditional glass panels. And when you include BREAKTHROUGH® Resistant Glass, you add the following features:

◆ 10 YEAR WARRANTY

10 Year Replacement Warranty against breakage*
Your peace of mind.

◆ SECURITY

180% more break resistant than tempered glass. Your protection to "smash-and-enter" vandalism.

◆ PROTECTION

7mm thick laminated exterior panel. Your home shielded from outside noise with 40% lower sound transmission.

◆ COMFORT

99% UV-resistant. Your draperies, carpets and furnishings saved from sun damage. Double glazed thermal units mean improved energy efficiency.

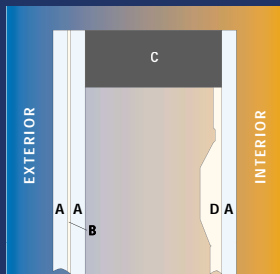

Traditional Detail

Disclaimer Note:
No glass products are impenetrable to a persistent effort to gain entry. Warranties exclude any consequential damages.
