

# Warranty

Trimlite offers a 10 year warranty on its insulated units. This warranty is effective from the date of the sale and relates to the presence of the material obstruction of vision (i.e. moisture from within the insulated unit caused by failure of the hermetic seal.)

Exceptions to the above warranty are:

- Units that have either exterior pieces of glass broken
- Units used in skylite applications
- Units improperly glazed, seeing glazing instructions
- Units subjected to moisture accumulation due to improper weeping of the glazing system
- Units subjected to abnormal stress which include but are not limited to:
  - Excessive Vibration
  - Direct Heat
  - Twisted within Opening
  - Lack of provision for expansion and contraction of framing members
  - Glazing compounds incompatible with our seal  
(Available on Request)

Any insulated units that fails to meet the terms of this warranty will be replaced FOB Surrey, B.C. We are not responsible for labor charges incurred due to unit failure. This warranty does not apply to replacements units beyond the original 10 year period apply to the original unit.

For a unit on which there is no date of manufacture, the date of purchase from Trimlite, the purchase order number and the address where the unit was installed must be received by Trimlite no later than 10 years from the date of sales from Trimlite.

**Warranty Coverage:**

Period after Purchase	% of Replacement Cost
0 – 5 years	100%
6 – 7 years	75%
8 – 10 years	50%

If Trimlite elects to replace product, the limited warranty on the replacement item will last for the balance of the warranty on the original product purchase.

**Note: This warranty applies to all units sold after January 1, 2000.**
